I'm pretty sure that Dulles is a little bit further out than the map depicts

Why is there a Dulles international mark in NW DC map? Does silver line start there?

You can take the silver line at any point, it's just to highlight an area you can take the metro (in the updated map)

Is there a discord

Yeah, there was a mega-info post for all travelling to DC, and it had the discord link on there. The discord was for travellers sharing tips, etc.

I can't find now.
